**simalube 30ml lubricators - includes gas cell**

Part #	Description	List
SL00-30	30ml simalube empty for self-filling (includes gas cell)	\$32.50
SL01-30	30ml simalube filled with multipurpose grease	\$33.75
SL02-30	30ml simalube filled with multipurpose grease with Moly	\$34.45
SL04-30	30ml simalube filled with high-temperature grease	\$34.85
SL06-30	30ml simalube filled with fluid grease	\$34.20
SL09-30	30ml simalube filled with biodegradable grease	\$43.85
SL10-30	30ml simalube filled with food grade grease	\$44.50
SL14-03	30ml simalube filled with chain oil	\$37.50
SL15-30	30ml simalube filled with high-temperature chain oil	\$52.90
SL18-30	30ml simalube filled with food grade oil	\$48.35
SL25-30	30ml simalube filled with high-performance grease	\$36.70
5004	Replacement gas producing cartridge for 30ml simalubes	\$20.60

**simalube 60ml lubricators - includes gas cell**

Part #	Description	List
SL00-60	60ml simalube empty for self-filling (includes gas cell)	\$34.50
SL01-60	60ml simalube filled with multipurpose grease	\$35.80
SL02-60	60ml simalube filled with multipurpose grease with Moly	\$36.50
SL04-60	60ml simalube filled with high-temperature grease	\$36.75
SL06-60	60ml simalube filled with fluid grease	\$36.30
SL09-60	60ml simalube filled with biodegradable grease	\$46.45
SL10-60	60ml simalube filled with food grade grease	\$46.95
SL14-60	60ml simalube filled with chain oil	\$39.30
SL15-60	60ml simalube filled with high-temperature chain oil	\$55.95
SL18-60	60ml simalube filled with food grade oil	\$50.80
SL25-60	60ml simalube filled with high-performance grease	\$38.85
5006	Replacement gas producing cartridge for 60ml simalubes	\$21.80

**simalube 125ml lubricators - includes gas cell**

Part #	Description	List
SL00-125	125ml simalube empty for self-filling (includes gas cell)	\$38.25
SL01-125	125ml simalube filled with multipurpose grease	\$39.80
SL02-125	125ml simalube filled with multipurpose grease WITH (Moly)	\$40.60
SL04-125	125ml simalube filled with high-temperature grease	\$40.90
SL06-125	125ml simalube filled with fluid grease	\$40.20
SL09-125	125ml simalube filled with biodegradable grease	\$51.60
SL10-125	125ml simalube filled with food grade grease	\$52.30
SL14-125	125ml simalube filled with chain oil	\$43.70
SL15-125	125ml simalube filled with high-temperature chain oil	\$62.30
SL18-125	125ml simalube filled with food grade oil	\$56.50
SL25-125	125ml simalube filled with high-performance grease	\$43.30
5008	Replacement gas producing cartridge for 125ml simalubes	\$24.25

**simalube 250ml lubricators - includes gas cell**

Part #	Description	List
SL00-250	250ml simalube empty for self-filling (includes gas cell)	\$68.80
SL01-250	250ml simalube filled with multipurpose grease	\$71.50
SL02-250	250ml simalube filled with multipurpose grease with Moly	\$72.95
SL04-250	250ml simalube filled with high-temperature grease	\$73.50
SL06-250	250ml simalube filled with fluid grease	\$72.60
SL09-250	250ml simalube filled with biodegradable grease	\$92.90
SL10-250	250ml simalube filled with food grade grease	\$93.95
SL14-250	250ml simalube filled with chain oil	\$75.25
SL15-250	250ml simalube filled with high-temperature chain oil	\$111.90
SL18-250	250ml simalube filled with food grade oil	\$101.80
SL25-250	250ml simalube filled with high-performance grease	\$77.50
5010	Replacement gas producing cartridge for 250ml simalubes	\$43.70

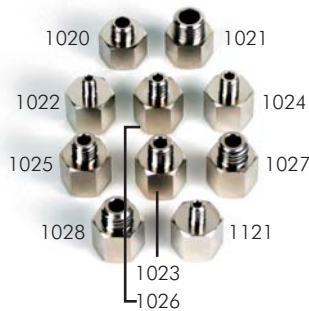

### elbows and connectors - nickel plated steel fittings

Part #	Description	List
1001	45° elbow, 1/4" BSP female to 1/4" BSTP male	\$ 11.23
1002	90° elbow, 1/4" BSP female to 1/4" BSTP male	\$ 4.81
1005	90° connector, 1/4" BSP female to 1/4" BSP male, length = 90mm	\$ 25.13

### connecting nipples - nickel plated steel fittings

Part #	Description	List
1010	1/4" BSP female to 3/8" BSP male, length = 15mm	\$ 4.07
1011	1/4" BSP female to 1/2" BSP male, length = 15mm	\$ 6.35

### reducing nipples - nickel plated steel fittings

Part #	Description	List
1020	1/4" BSP female to 1/8" BSP male, length = 19mm	\$ 4.21
1021	1/4" BSP female to 1/4" BSP male, length = 22mm	\$ 4.21
1022	1/4" BSP female to M6 male, length = 25mm	\$ 4.21
1023	1/4" BSP female to M8 male, length = 25mm	\$ 4.21
1024	1/4" BSP female to M8x1 male, length = 25mm	\$ 4.21
1025	1/4" BSP female to M10 male, length = 25mm	\$ 4.21
1026	1/4" BSP female to M10x1 male, length = 25mm	\$ 4.21
1027	1/4" BSP female to M12 male, length = 25mm	\$ 4.21
1028	1/4" BSP female to M12x1.5 male, length = 25mm	\$ 4.21
1121	1/4" BSP female to 1/4" UNF male, length = 25mm	\$ 5.25

### extensions and connectors - nickel plated steel fittings

Part #	Description	List
1040	1/4" BSP female to 1/4" BSP male, overall length = 35mm	\$ 6.79
1041	1/4" BSP female to 1/4" BSP male, overall length = 50mm	\$ 9.02
1045	connector with (1) nut, 25mm; 1/4" BSP female to 1/4" BSP male, overall length = 50mm	\$ 9.23
1046	connector with (2) nuts, 60mm; 1/4" BSP female to 1/4" BSP male, overall length = 75mm	\$ 20.25

### manifolds & adapters - for installing multiple lubricators to a single lube point

Part #	Description	List
1050	Y-manifold; for installing 2 lubricators to 1 lube point	\$ 18.85
4102	2-fold adapter with 1/2" BSP male fitting; for installing 2 lubricators to a single lube point	\$ 94.16
4103	2-fold adapter with 1/4" BSP male fitting; for installing 2 lubricators to a single lube point	\$ 94.16
4100	4-fold adapter with 1/2" BSP male fitting; for installing 4 lubricators to a single lube point	\$ 78.35
4101	4-fold adapter with 1/4" BSP male fitting; for installing 4 lubricators to a single lube point	\$ 78.35

### quick connects - nickel plated steel fittings

Part #	Description	List
1060	quick connect for 8mm hose with 1/4" BSP female thread	\$ 11.46
1070	quick connect for 8mm hose with 1/8" BSP male thread	\$ 7.83
1071	quick connect for 8mm hose with 1/4" BSP male thread	\$ 8.28
1072	quick connect for 8mm hose with 3/8" BSP male thread	\$ 12.04

### 8mm plastic hose

2000	plastic hose for remote lubricator mounting; per meter	\$ 7.25
------	--	---------

### non-return valves - for oil filled lubricators

Part #	Description	List
2020	non-return valve; 1/4" BSP female x 1/8" BSP male	\$ 19.88
2021	non-return valve; 1/4" BSP female x 1/4" BSP male	\$ 20.69

### clamps - mounting options for lubricators & brushes

Part #	Description	List
2010	plastic clamp for mounting simalube - dia.=50mm	\$ 8.72
2012	Perma® adapter; use existing Perma® clamps with simalube lubricators - dia.=50mm	\$ 3.99
2013	plastic clamp for mounting brushes - dia.=28mm	\$ 2.95
2014	spacer for 2013	\$ 2.95

### brushes - continuous lubrication of chains, slides & guides

Part #	Description	List
2034	25mm dia. x 45mm length; 1/4" BSP female thread on top of brush	\$ 20.69
2041	25mm dia. x 15mm length; 1/4" BSP female thread on top of brush	\$ 17.59
2038	25mm wide square brush, 1/4" BSP female tread on top of brush	\$ 22.17
2035	40mm wide square brush, 1/4" BSP female tread on top of brush	\$ 25.50
2036	70mm wide square brush, 1/4" BSP female tread on top of brush	\$ 28.68
2037	100mm wide square brush, 1/4" BSP female tread on top of brush	\$ 34.59
2035-S	40mm wide square brush, 1/4" BSP female tread on side of brush	\$ 32.52
2036-S	70mm wide square brush, 1/4" BSP female tread on side of brush	\$ 35.84
2037-S	100mm wide square brush, 1/4" BSP female tread on side of brush	\$ 46.93

### mounting support & brackets

Part #	Description	List
2080	mounting support	\$ 24.76
2081	cover for mounting support	\$ 33.78
2082	mounting bracket; holds (1) mounting support - length=75mm	\$ 11.46
2083	mounting bracket; holds (3) mounting supports - length=240mm	\$ 15.89
2084	mounting bracket; holds (5) mounting supports - length=390mm	\$ 20.69
2800	universal bracket, adjustable; holds (1) lubricator	\$ 20.25

2039

2042

### elevator brushes - for cleaning & lubricating elevator slides

Part #	Description	List
2039	large elevator brush, 151 mm long x 102mm wide	\$ 45.97
2042	small elevator brush, 113mm long x 84mm wide	\$ 38.88

3011

3012

3013

3014

### nipples - for refilling lubricators and pre-filling hose

Part #	Description	List
3011	filling nipple, metal; for filling 8mm hose; zerk fitting on one end fits grease gun, 1/4" BSP male fits part #1060	\$ 8.50
3012	refill nipple, metal; for filling lubricators with grease gun	\$ 10.94
3013	refill nipple, plastic; for filling lubricators using grease pumps; 1/4" BSP male thread	\$ 6.14
3014	refill nipple, plastic; for filling lubricators using grease pumps; 3/8" BSP male thread	\$ 6.58

4010

5050

5060

### accessories

Part #	Description	List
4010	allen key, 3mm; for turning dial setting on lubricator	\$ 1.18
5050	closing nipple, green; for capping lubricators filled with grease. 100/pack.	\$ 12.50
5060	non-return valve closing nipple, yellow; for capping lubricators filled with oil. priced per each.	\$ 1.84
5080	Gasket ring, fitted around dial setting, 10/Pack, priced per pack	\$ 0.67
4027	Torque tool for screwing 250ml gas cartridges into lubricator	\$ 59.80
2075	Plastic cap for top of simalube (protects dial setting)	\$ 1.99

5080

4027

2075

6010

### sales & demo kit

Part #	Description	List
6010	convenient kit for demonstrating the simalube line	\$ 499.00
